What are your most significant achievements in your past term(s) on the Board?

What are your strongest skills/attributes that you contribute to the Board?

What would you like to accomplish during another term on the Board?

Board calls are regularly scheduled once a month, typically the third Sunday of the month in the early evening. Are you available during that time? Additional meetings may be scheduled for occasional emergency discussions. Can you make a commitment to make every effort to be available for the regular board calls and emergency meetings?

Board members are required to attend and be active volunteers at BassetFest held in August and Spring into Summer held in May or June. In addition, there will be two working Board retreats each year, one in March and one in September. These retreats typically take place in Tomah, WI which is centrally located for volunteers from both states. Can you make a commitment to attend these events?

If re-elected, would you be an active volunteer at BassetFest and/or Spring into Summer? If so, in what capacity?

Why do you feel you should be re-elected to the Board for another term?
